

# Sacred Trust

## Bee Gees

I meant to fight it to the finish but you made me forget  
And though it's possible I'm dreaming, don't wake me yet  
You know I love you, I can't see the day for nightYou know I twist around and turn around and then I give in  
You end up in control of me it's really a sin  
I don't know what you're doing to me  
But I know it's a crimeAnd baby I can't last another night  
And every moment is eternity  
And from the depth of my soul  
Can't let another day go byI follow my heart right up to the end  
As far as the eye can see  
I'm faithful and true and livin' up to  
Your sacred trust in me  
I'll never give out to somebody else  
I know where my arms should be  
I'm faithful and true and makin' it through  
Your sacred trust in me  
Your sacred trust in meYou take me and you break me and you do what you please  
I stumble and I tremble and I'm weak at the knees  
The vision that lies before me is not realityI tell you I can't wait another night  
For every secret that your soul reveals  
And you and I may get to know  
That it's real, that it's realI follow my heart that leads me to you  
And all that my love should be  
(You know I'm talkin' to you)  
And you can be sure I'm doin' it for  
Your sacred trust in me  
I'll never give out to somebody else  
(Callin' me)  
There's nowhere my heart should be  
(You know I'm callin' to you)  
I'm faithful and true and livin' up to  
Your sacred trust in me  
(Your scared trust)  
Your sacred trust in meI follow my heart right up to the end  
As far as the eye can see  
I'm faithful and true and livin' up to  
Your sacred trust in me  
I'll never give out to somebody else  
I know where my arms should be

I'm faithful and true and makin' it through  
Your sacred trust in me  
Your sacred trust I follow my heart that leads me to you  
(Follow me)  
(Oh yeah)  
And all that my love should be  
(You know I'm callin' to you)  
And you can be sure I'm doin' it for  
Your sacred trust in me  
(Hey when)  
I'll never give out to somebody else  
(Callin' me)  
There's nowhere my heart should be  
(You know I'm callin' to you)  
I'm faithful and true and livin' up to  
(Oh yeah)  
Your sacred trust in me  
Your sacred trust
