

La vie en rose

Grace Jones

Hold me close and hold me fast
This magic spell you cast
This is la vie en rose When you kiss me, heaven shys
And though I close my eyes
I see la vie en rose When you press me to your heart
I'm in a world apart
A world where roses bloom And when you speak
Angels fly from above
Everyday words seem to turn
Into love songs Give your heart and soul to me
Babe, it's gonna be
La vie en rose When you press me to your heart
I'm in a world apart
A world where roses bloom And when you speak
Angels fly from above
Everyday words seem to turn
Into love songs Give your heart, your soul to me
Babe, it's gonna be
La vie en rose
