

football

Bananaskin

I've been playing football in my head
I've been patiently waiting for this game to end
I've been tackling it with my mind
I've been waiting for you to come around
I've been waiting for a, for a touchdown
Whoa, Whoa, Bright lights turn up the night,
But I'm stuck here in the dark
But I'll be there, but I'll be there
Bright Lights passing me by
But I'm stuck here on the words I'll never leave ya
I'll never leave ya
And colors fly, colors fly, colors fly...
oh oh oh
I've been playing football in my head
I've been patiently waiting for this game to end
I've been tackling it in my mind
I've waited for you to come around
I've been waiting for a, for a touchdown
Colors fly, colors fly, colors fly
You and I, you and I, you and I
We're forever young and wild
Colors Fly, colors fly, color fly
You and I, you and I, you and I
We're forever young and wild
I've been playing football in my head
Oh oh oh I've been trying to make it with my mind
I've been waiting for you to come around
I've been waiting for a, for a touchdown
Whoa, ho, ho
