Better Than Sunday

Ladyhawke

I'm in an empty room, I've waited here since noon
The walls are closing in, the room is getting dim
I'm feeling something wrong, the time is getting on
You've left me here alone, you're holding all I ownI can't walk the line, I can't see the time
I'm falling out of view, I'm sinking into you
I can't walk the line, I can't see the time
I'm falling out of view, I'm sinking into youI'm leaving Monday, it's better than Sunday
It's better than Sunday, it's better than
I'm feeling younger, it's better than wiser
It's better than wiser, it's better thanI'm leaving Monday, it's better than Sunday
It's better than Sunday, it's better than
I'm feeling younger, it's better than wiser
It's better than wiser, it's better thanIt's getting dark outside, I shrink and try to hide
There's no one else to blame, it's always been the same
I'm leaving notes around, so when I'm gone they're found
You'd wish you treated me, with much more dignityI can't walk the line, I can't see the time
I'm falling out of view, I'm sinking into you
I can't walk the line, I can't see the time
I'm falling out of view, I'm sinking into youI'm leaving Monday, it's better than Sunday
It's better than Sunday, it's better than
I'm feeling younger, it's better than wiser
It's better than wiser, it's better thanI'm leaving Monday, it's better than Sunday
It's better than Sunday, it's better than
I'm feeling younger, it's better than wiser
It's better than wiser, it's better than
