

# Emotional

## Falco

Ooh yeah yeah yeah  
Here comes the soul  
Gimme that soul  
Ooh he's emotional  
He's an emotional man  
Sacrify the day  
And bless the night  
Want you to come and do me  
Ooh he's emotional  
He's an emotional man  
He's got tears in his eyes  
Watch him break down and cry  
Watch me cry  
Hear me babe  
Was soll ich Dir noch sagen  
Es ist doch alles schon gesagt  
Ohne uns sind wir die Hlfte wert  
Wir geh'n vorbei und seh'n es nicht  
He's a desperate man in a world so cold  
Und du weit, ich habe ein Herz wie ein Lwe  
He's just longing for a woman to hold  
Und das Herz geht so lange zum Messer bis es sticht  
Do me  
Ooh he's emotional  
He's an emotional man  
So emotional  
I had my woman right here  
I had her in the palm of my hand  
Want you to come and do me  
Ooh he's emotional  
So emotional  
He's an emotional man  
He's got tears in his eyes  
Watch him break down and cry  
Watch me cry  
Still hear me babe  
Ich wei, da die Frau die mich ertrgt noch nicht geboren ist  
Aber ich bitte Dich, komm' zur Welt  
He's a desperate man in a world so cold

Und du weit, ich habe ein Herz wie ein Lwe  
He's just longing for a woman to hold  
Und wenn Du willst, dann geh' ich down on my knees and pray to  
The spirits above, do me  
Ooh he's emotional  
So emotional  
He's an emotional man  
I had my woman right here  
I had her in the palm of my hand  
Want you to come and do me  
Ooh he's emotional  
So emotional  
He's an emotional man  
He's got tears in his eyes  
Watch him break down and cry  
Cry -  
Watch me break down and cry  
Tears in my eyes I've got to cry cry  
Tears in my eyes I've got to cry cry  
Watch me break down and cry  
And pray to the spirits above and do me  
Ooh he's emotional  
So emotional  
He's an emotional man  
I had my woman right here  
I had her in the palm of my hand  
Want you to come and do me  
Ooh he's emotional  
So emotional  
He's an emotional man  
He's got tears in his eyes  
Watch him break down and cry  
Cry -  
Cry - Hear me babe was soll ich Dir noch sagen  
Cry - Es ist doch alles schon gesagt, Du siehst ja wo ich bin  
Cry - Can't you see I'm down on my knees  
Cry - But I'll tell you something wenn nicht, dann nicht  
Ooh he's emotional  
So emotional  
He's an emotional man  
I had my woman right here  
I had her in the palm of my hand  
Want you to come and do me  
Ooh he's emotional  
So emotional

He's an emotional man  
He's got tears in his eyes  
Watch him break down and cry  
Cry -
