

# Same Ground

Kitchie Nadal

My love,  
Its been a long time since I cried  
And left you out of the blue.  
It's hard leaving you that way when  
I never wanted to. Self-denial is a game  
a stranger would've never  
Wanted 'til there was you. 'Cause I have learned that love is beyond  
What human can imagine,  
The more it clears  
The more i have to let you go. CHORUS:  
'Cos what I don't understand is why I'm feeling  
So bad now when i know it was my idea.  
I could've just denied all the truth and lied.  
But why am I the only one standing stranded  
On the same ground? My love,  
Its been a long time since I cried  
And left you out of the blue.  
It's hard leaving you that way when  
I never wanted to. Self-denial is a game  
a stranger would've never  
Wanted 'til there was you. 'Cos I have learned that love is a word  
Just thrown a little bit too much.  
The best excuse to fill the infinite abyss  
I never have to be \*\*CHORUS\*\* If all else fail, would you be there to love me?  
When all else fail, would you be brave to see right through me?
