

Come On

The Verve

I must be feeling low
I talked to God in a phone box on my way home
I told you my answer
I left you my dreams on your answering machineCome on
Let the spirit inside you
Don't wait to be found
Come along with my soundLet the spirit move you
Let the waves come up
They'll fuse you
I never met no one to deny a soundI must be going insane
I called the doctor, so he can relieve my pain
He's got a little pill for me
Just a little luxury
Help me through my dayCome on
Let the spirit inside you
Don't wait to be found
Come along with our soundLet the spirit move you
Let the waves come up
They'll fuse you
I never met no one to deny our soundCome on
Come on
Come on
Come onThere's only one life
There's only one lifeLet it go
Let it go
Let it goThis is a big
Fuck you
This is a big
Fuck you
Come onCome on now
