

Lost Soul

Beach Baby

Oh, when sunday morning calls for me
Oh, and I kick this heaven and I get some peace
Oh, I can hear my thoughts in the walls and ceiling
Woah, I remind myself I'm a lost soul dreamin'
Cuz I don't feel like a man should too, when it's love locked and loaded with sweet
dreams of you
I don't go, where you go
I don't know, what you know, but I will do soon, yeah I will do soon
Ah, take a walk outside for some time away
Oh, With a man I meet for staring game
Ah, and he clicks and stops and he starts to say
Woah, just keep on walking, keep your lost soul moving
Cuz I don't feel like a man should too,
When it's, love locked and loaded with sweet dreams of you
I don't go, where you go
I don't know, what you know, but I will do soon, yeah I will do soon
And I could,
And I would,
Cuz you've been nothing but proof to me
But I will,
and I should,
forever and eternally
But I don't,
and I won't
cuz I'm waiting on something, you see
Oh god, no no
No I don't know what it all means
Cuz I don't feel like, wooooo,
no I don't feel like, wooooo
No I don't feel like a man should too,
when it's love locked and loaded with sweet dreams of you
I don't go, where you go
I don't know, what you know, but I will do soon, yeah I will do soon
