Pull Me Back

The Red Jumpsuit Apparatus

One, two
One, two let's go!

There's lots of crazy crazy things this world, will offer you
And there's no way to fake what you've been through
So just hold on to what you know is true!

Pull me back again
I need you to pull me from myself
(Pull me from myself)
Pull me back again
I need you to pull me from myself
(Before I get out!)

It seems that there's nowhere left to turn
It's true
I'd like to think that we could help each other
As a pack of things we're going through!

Pull me back again
I need you to pull me from myself
(Pull me from myself)
Pull me back again
I need you to pull me from myself
(Before I get out!)

One, two
One, two let's go!

Pull me back again
I need you to pull me from myself
(Pull me from myself)
Pull me back again
I need you to pull me from myself
(Before I get out!)

Pull me back again!
(Before I get out)
Pull me back again!
(Before I get out)
