Whenever We Agree Together

Gaither Vocal Band

Whenever we agree together
The Holy Spirit starts to move
Whenever we agree together
His mighty power He will prove
If His children love each other
'Till their hearts become as one
And two or three agree together
He has promised He will be there
And the work will be doneThat night when Paul and Silas
Were in chains, in the county jail
Somebody must have been agreein'
A mighty power began to fill the place
All their fetters fell off
And the doors opened wide
Perfect timing for a big earthquakeWhenever we agree together
The Holy Spirit starts to move
Whenever we agree together
His mighty power He will prove
If His children love each other
'Till their hearts become as one
And two or three agree together
He has promised He will be there
And the work will be doneWhen just a few believers
Came together, all in one accord
Somebody must have been agreein'
'Cause the jail began to shake
No longer weak, they began to speak
Shekinah glory shining on each face!Whenever we agree together
The Holy Spirit starts to move
Whenever we agree together
His mighty power He will prove
If His children love each other
'Till their hearts become as one
And two or three agree together
He has promised He will be there
And the work will be doneWhenever we agree together
The Holy Spirit starts to move
Whenever we agree together
His mighty power He will prove

If His children love each other
'Till their hearts become as one
And two or three agree together
He has promised He will be there
And the work will be doneAnd two or three agree together
He has promised He will be there
And the work will be done
And two or three agree together
He has promised He will be there
And the work will be done
