

# The Illusionist

## Birds in Row

As an outcast I faced defeat  
Seeking comfort in this painful retreat  
Made an oracle against my will  
Word spread of miraculous skillsPremonitions call my name  
I once doubted them all when they came  
Now I embrace it and I'll never be the sameTransfixed in the desert sands  
Take a look at my once empty hand  
See the rose that appears so real  
Just like the one you saw in your dreamsThose who call me Avatar  
Knows not what they're looking for  
They just feed the flames with miraclesJust so you know if you bathe within my light  
You diminish your own might  
The illusionist in everyoneAs an outcast I faced defeat  
Seeking comfort in this painful retreat  
Made an oracle against my will  
Word spread of miraculous skillsPremonitions call my name  
I once doubted them all when they came  
Now I embrace it and I'll never be the sameThose who call me Avatar  
Knows not what they're looking for  
They just feed the flames with miraclesJust so you know if you bathe within my light  
You diminish your own might  
Illusionist in everyoneWhat I say and what I do was once potential  
Sprung from the infinite place that dictates the seenThose who call me Avatar  
Knows not what they're looking for  
They just feed the flames with miraclesJust so you know if you bathe within my light  
You diminish your own might  
Illusionist in everyoneThose who call me Avatar  
Knows not what they're looking for  
They just feed the flames with miraclesJust so you know if you bathe within my light  
You diminish your own might  
Illusionist in everyone, in everyone
