

# Stop & Stare

## Onerepublic

This town is colder now, I think it's sick of us  
It's time to make our move, I'm shakin' off the rust  
I've got my heart set on anywhere but here  
I'm staring down myself, counting up the years  
Steady hands just take the wheel  
Every glance is killing me  
Time to make one last appeal  
For the life I lead  
Stop and stare  
I think I'm moving but I go nowhere  
Yeah, I know that everyone gets scared  
But I've become what I can't be, oh  
Stop and stare  
You start to wonder why you're here not there  
And you'd give anything to get what's fair  
But fair ain't what you really need  
Oh, can you see what I see?  
They're tryin' to come back, all my senses push  
Untie the weight bags, I never thought I could  
Steady feet, don't fail me now  
I'm gonna run till you can't walk  
Something pulls my focus out  
And I'm standing down  
Stop and stare  
I think I'm moving but I go nowhere  
Yeah, I know that everyone gets scared  
But I've become what I can't be, oh  
Stop and stare  
You start to wonder why you're here not there  
And you'd give anything to get what's fair  
But fair ain't what you really need  
Oh, you don't need  
What you need, what you need  
What you need  
Stop and stare  
I think I'm moving but I go nowhere  
Yeah, I know that everyone gets scared  
I've become what I can't be  
Oh, do you see what I see?
