

# Because of You

Gerald Albright

I feel love inside of me, because of you  
no lonely nights feel so right, because of you  
you are my baby

I feel love inside of me, because of you  
no lonely nights, feel so right, because of you  
ooh ooh, ooh ooh  
because of you  
ooh ooh, ooh ooh

I feel love inside of me, because of you  
no lonely nights, feel so right, because of you  
you are my baby

I feel love inside of me, because of you  
your open arms, feel so right, because of you  
you are my baby  
because of you  
you are my baby
