

# Broken Bottles

## Iron Reagan

Broken bottles in the street  
History we won't repeat  
Broken Bottles  
We're pouring out vodka like spit  
We won't get drunk  
On your bullshitBroken bottles in the street  
History we won't repeat  
Broken Bottles  
We're pouring out vodka like spit  
We won't get drunk  
On your bullshit
