

Motorhead

Wrestling

Sunrise, wrong side of another day
Sky high six thousand miles away
Don't know how long I've been awake
 Wound up in an amazin' state
Sunrise, wrong side of another day
Sky high six thousand miles away
Don't know how long I've been awake
 Wound up in an amazin' state
 I can't get enough
 You know it's righteous stuff
Goes up like prices at Christmas, this
 Motorhead, you can call me
 Motorhead, all right
 Brained out, total amnesia
 Get some mental anesthesia
Don't move, I'll shut the door, kill the lights
 If I can't be wrong I must be right
 All good clean fun
 Have another stick of gum
Man, you look better already, aah
 Motorhead, remember me now
 Motorhead, all right
 (Fuck)
 Fourth day, five day marathon
 We're movin' like a parallelogram
Don't move, the mornin's not a pretty sight
 I guess I'll see you all on the ice
 I should be tired
 All I am is wired
 Ain't felt this good for an hour
 Motorhead, remember me now
 Motorhead, all right
