Satellite Walk

John Cale

Who's that in the big japanese car?
Dealing sushi from a german bar
Well no one knows but he won't get farI took my tomahawk for a satellite walk
I took my tomahawk for a satellite walkWho put the fishes in the deep blue sea?
Who put the monkeys back in the tree?
Well it wasn't you and it wasn't meI took my tomahawk for a satellite walk
I took my tomahawk for a satellite walkWho's been sleeping in my vcr?
Who's been chewing on my pdr?
I must complain to the managerI took my tomahawk for a satellite walk
I took my tomahawk for a satellite walkWho's that sailing in the black lagoon?
Who's erasing the face of the man in the moon?
Well I hope he don't come around here too soonI took my tomahawk for a satellite walk
I took my tomahawk for a satellite walkWake up, wake up
Get up, get up
Let's dance
