

# Satellite Walk

John Cale

Who's that in the big japanese car?  
Dealing sushi from a german bar  
Well no one knows but he won't get far I took my tomahawk for a satellite walk  
I took my tomahawk for a satellite walk Who put the fishes in the deep blue sea?  
Who put the monkeys back in the tree?  
Well it wasn't you and it wasn't me I took my tomahawk for a satellite walk  
I took my tomahawk for a satellite walk Who's been sleeping in my vcr?  
Who's been chewing on my pdr?  
I must complain to the manager I took my tomahawk for a satellite walk  
I took my tomahawk for a satellite walk Who's that sailing in the black lagoon?  
Who's erasing the face of the man in the moon?  
Well I hope he don't come around here too soon I took my tomahawk for a satellite walk  
I took my tomahawk for a satellite walk Wake up, wake up  
Get up, get up  
Let's dance
