

# Silence

## Delerium

[Foreign content]Give me release, witness me

I am outside, give me peaceHeaven holds a sense of wonder, and I wanted to believe  
That I'd get caught up when the rage in me subsidesPassion chokes the flower, till she cries no more  
Possessing all the beauty, hungry still for moreHeaven holds a sense of wonder, and I wanted to believe  
That I'd get caught up when the rage in me subsidesIn this white wave I am sinking, in this silence  
In this white wave, in this silence, I believe[Foreign content]I can't help this longing comfort me  
I can't hold it all in, if you won't let meHeaven holds a sense of wonder, and I wanted to believe  
That I'd get caught up when the rage in me subsidesIn this white wave I am sinking, in this silence  
In this white wave, In this silence, I believeI have seen you in this white wave you are silent  
You are breathing, in this white wave I am free
