

Awesome God (feat Bonokhuhle Nkala)

Jub Jub

Hook & Chorus
Through The storm
Through the rain
And everything I've been through
You still the same
And I know your nameMy God is an awesome God
My God is an awesome God he reign
From heaven above with wisdom power
Our God is an awesome God
My G.O.D is an awesome God he reign
From heaven above with wisdom power
Our God is an awesome God
