

'12' (Original 1996 Demo)

Jeffries Fan Club

This morning my mind looked around and couldn't find a lie for why and where she stay
If this is love then Lord I pray let me fall out of love today
Her ramblin' blue eyes couldn't hide or deny
That she had thrown her self respect away
If this is all there is to love let me fall out of love today
I'm not saying I don't want to remember
All the good times and the places we've been
But if this is all there is to love then please don't let me see her again
Today I must seek I'm ashamed that I'm so weak
But Lord I'm not strong enough to stay
If this is all there is to love let me fall out of love today
Oh if this is all there is to love let me fall out of love today
