

May It Be

Celtic Woman

May it be an evening star shines down upon you
May it be as darkness falls your heart will be true
You walk a lonely road, oh, how far you are from home Mornie utulie
Believe and you will find your way
Mornie alantie
A promise lives within you now May it be the shadow's call will fly away
May it be your journey on to light the day
When night is overcome you may rise to find the sun Mornie utulie
Believe and you will find your way
Mornie alantie
A promise lives within you now A promise lives within you now
