

You Are Fire(WwW.RinconUrbano.Net)

Prince Royce

I've been waiting all day
Checking the time
For when she arrives yeah
Open about her love wide
She likes chardonnay
I'm well on my way yeahNo she don't know my palms are sweaty
I'm nervous I've been dressed and ready
And when I open up the door she asks
How do I look, I sayYou
Are fire but your blue
Eyes, are brighter
I've never felt this way before
Stay for a while and close the door 'cause you
Are fireTomorrow's coming to soon
Let's do this again
See you at ten
YeahIf you like to win instead
Stay in my room
It's already noon hmmNo she don't know my palms are sweaty
So nervous, damn she's sweet and sexy
She puts on my favorite shirt and asks
How do I look, I sayYou
Are fire but your blue
Eyes, are brighter
I've never felt this way before
Stay for a while and close the door 'cause you
Are fireThere's no need to rush
Just relax 'cause tonight's gonna do what it does
I can't get enough (enough)
I just gotta say (I just gotta say)
I just gotta sayYou
Are fire but your blue
Eyes, are brighter
I've never felt this way before
Stay for a while and close the door 'cause you
Are fireYou (I never felt this way before)
Are fire but your blue
Eyes, are brighter
I've never felt this way before(You) (are fire)

(I've never felt this way before)
(You) (are fire)
