

# Me & U (feat. Diddy & Yung Joc) [Remix]

Cassie

You've been waiting for so long  
I'm hear to answer your call  
I know that I shouldn't have had you waiting at all  
I've been so busy, but I've been thinking 'bout what I wanna do with you I know them other guys  
They been talking 'bout the way I do what I do  
They heard I was good; they wanna see if it's true  
They know you're the one I wanna give it to  
I can see you want me too  
Now, it's me and you It's me and you, now  
I've been waiting (waiting)  
Think I wanna make that move, now  
Baby, tell me if you like it (Tell me if you like it)  
It's me and you, now  
I've been waiting  
Think I wanna make that move, now  
Baby, tell me how you like it I was waiting for you to tell me you were ready  
I know what to do, if only you would let me  
As long as you're cool with it, I'll treat you right  
Here is where you wanna be I know them other guys  
They been talking 'bout the way I do what I do  
They heard I was good; they wanna see if it's true  
They know you're the one I wanna give it to  
I can see you want me too  
And now, it's me and you It's me and you now (Baby, it's me and you)  
I've been waiting  
Think I wanna make that move, now (thinking 'bout making that move)  
Baby, tell me if you like it (Tell me if you like it)  
It's me and you, now (uh huh)  
I've been waiting (hey)  
Think I wanna make that move, now (wanna make a move)  
Baby, tell me how you like it (yeah) Baby, I'll love you all the way down  
Get cha right where you like it  
I promise you'll like it (I swear)  
Just relax and let me make that move (It's our secret thing)  
Keep it between me and you It's me and you, now (oh, yeah)  
I've been waiting  
Think I wanna make that move, now (move now)  
Baby, tell me if you like (Tell me if you like it)  
It's me and you, now (yeah)

I've been waiting  
Think I wanna make that move, now (gonna make a move now)  
Baby, tell me how you like it  
It's me and you
