

# Start A Family

## Texas

[Verse 1]

You can start a family  
Or you can start a war  
Began with good intentions  
Now you don't know what you're fighting for[Pre-Chorus]  
There's no way of knowing  
The way you are today  
When I look up to the sky  
There's only one thing that I wanna say[Chorus]  
Lay down, try and talk about it  
Lay down, don't scream or cry or shout it  
Stay down, don't deny or doubt it  
No one knows you better than me[Pre-Chorus]  
The world's a little darker  
Through your tinted view  
When the times get harder  
Know I'll always be there for youBut there's no way of knowing  
But I guess if I may  
When I look up to you  
There's only one thing that I wanna say[Chorus](x2)  
Lay down, try and talk about it  
Lay down, don't scream or cry or shout it  
Stay down, don't deny or doubt it  
No one knows you better than me
