

# You Don't Know Me

## Alison Krauss

You give your hand to me  
And then you say hello  
And I can hardly speak  
My heart is beating so  
And anyone can tell  
You think you know me well  
But you don't know meNo you don't know the one  
Who dreams of you at night  
And longs to kiss your lips  
And whom to hold you tight  
To you I'm just a friend  
That's all I've ever been  
But you don't know meFor I never knew, the art of making love  
Though my heart aches with love for you  
Afraid and shy, I let my chance go by  
The chance, that you might have loved me tooYou give your hand to me  
And then you say goodbye  
You watched me walk away  
Beside my lucky guy  
To never, never know  
The one who loves you so  
No you don't know meFor I never knew, the art of making love  
Though my heart aches with love for you  
Afraid and shy, I let my chance go by  
The chance, that you might have loved me tooYou give your hand to me  
And then you say goodbye  
You watched me walk away  
Beside my lucky guy  
To never, never know  
The one who loves you so  
No; you don't know me
