Everlasting Love

Fifth Harmony

Eva, eva, eva (uh)
Oh, eva, eva, evaÂ (Fifth Harmony, baby)
Oh, eva, eva, evaÂ (let's go)
Oh, everlasting loveÂ (another one)Always looking over my shoulder
'Cause I don't ever wanna miss you
I been thinking about you daily
Can't wait to see your face
And I don't even know you
But I know that I can't wait to kiss you
Somehow I know when we finally lock eyes
That you'll feel the same wayYou're gonna be all I needed
You make me feel like a dream
Whoever you are
Baby, you are
The one I'm waiting forYou're my ever- everlasting love
My ever- everlasting love
And I'm never ever giving up
'Til you're laying next to me
I'm lookin' for that ever- everlasting love
Forever ever kind of touch
And I'll never ever get enough
Baby, we were meant to beAin't no use in wasting my time
On just anybody, baby
I want exceptional, original
Someone I can't deny
I'm in love with you already
I know it sounds crazy
But I hope you save all you got for me
'Cause, baby, you're all mineYou're gonna be all I needed
You make me feel like a dream
Whoever you are
Baby, you are
The one I'm waiting forYou're my ever- everlasting love
My ever- everlasting love
And I'm never ever giving up
'Til you're laying next to me
I'm lookin' for that ever- everlasting love
Forever ever kind of touch
And I'll never ever get enough

Baby, we were meant to beEverlasting love
Everlasting love
Everlasting love
My everlasting loveI don't even know your name
I can't get you off my brain
Darling, I can hardly wait
'Til I can get to know you
You'll be beautifully insane
Infinitely all for me
Promise you'll be glad you came
I can't wait to show youYou're my ever- everlasting love
My ever- everlasting love
And I'm never ever giving up
'Til you're laying next to me
I'm lookin' for that ever- everlasting love
Forever ever kind of touch
And I'll never ever get enough
Baby, we were meant to beEverlasting love
Everlasting love
Everlasting love
My everlasting love
