

Do Something Love

David Guetta

Everybody's war-cry
Everybody's pride
Anybody's soap box
Anybody's laps
Everybody's problem
Everybody's gun
Nobody's started nobody some
Anybody's country
Anybody's blood
Anybody's body in a bodies You do something hurt
You do something pain
Why don't you do something love for a change
You do something cruel
You do something hate
Why don't you do something love for a change Why don't you do something love
Why don't you do something love
Why don't you do something love
Why don't you do something love
Why don't you do something love
Why don't you do something love For a change
For a change
For a change
