Sweet Little Razor

Bang Tango

It ain't sweet, the way you cut me
Much too deep for any man
No control, no emotion, just that
Razor in your pretty hands

Time has come babe, you pull my trigger
I feel your life blood, slipping down
The drain
I can feel your heart beat every time

I let you go
Every time I see those greedy eyes,
I've got to let you know, so
I can't help you, your time has come

I see you falling, you're goin' down
I can't help you, your time has come
I got you crawling, down on the ground,
So, crawl!

You take it easy, I take it slow
You try to please me, I just say - no!
I can see inside your eyes, gonna make
Your body burn, I feel you hypnotize,

Gonna take, I'll take my turn
I can't help you, your time has come
I see you falling, you're goin' down
I can't help you, your time has come

I got you crawling, down on the ground,
So crawl!
Every time I see those eyes
I'm about to lse control

I shiver and shake down deep inside
I feel my body blow
I feel this world is a give and take
As I reach down deep inside

I pray to God for Heaven's sake,
I've got to let you know
I can't help you, your time has come
I see you falling, you're goin' down

I can't help you, your time has come
I got you crawling, down on the ground,
So crawl!
I can't help you, your time has come

I see you falling, you're goin' down
I can't help you, your time has come
I got you crawling, down on the ground,
So crawl
