

Amigo's Guitar

Billy Walker

Tonight they're singing in DeVilla tomorrow you'll be gone so far
Hold me close and say you love me while amigo plays his blue guitar
Aj aj aj the moon is lonely tomorrow I'll wonder where you are
Manana morning my darling I'll be blue as amigo's guitarThey pushed their singing in DeVilla all this quiet
beneath the stars
Amigo plays Asta de Vago up on his lonely blue guitar
Aj aj aj the moon is lonely
