Tiger Lily

Luna

Sweet obscenity, bring her back to me
Lost in her perfume, think I'm gonna sue
Sweet obscenity, didn't I know it?
Didn't I call her name?Stale cigarettes crumble in your fingers
Caught with a drink in my hand edging to the door
Sweet obscenity, didn't I know it?
Didn't I call her name?Tiger Lily girl
Standin' cross-eyed in the corner
Tiger Lily girl
Standin' tongue tied in the cornerSomethin' in her eye tells that I should try
Somethin' she might say tells right away
Somethin' in her eye, didn't I know it?
Didn't I call her name?Tiger Lily girl
Standin' cross-eyed in the corner
Tiger Lily girl
Standin' tongue tied in the corner
