

We Call This Mutha Revenge

Suicidal Tendencies

This is the beginning of the end
This is revenge, we call this mutha revenge
This is revenge, we call this mutha revenge
 Best not be talking to me
 Not with those words you said
I guess I'll have to accept your invitation
 To toast you upside your head
 Everything has got a start
 And everything has got an end
 Every action has a side effect
 We call this mutha revenge
This is revenge, we call this mutha revenge
This is revenge, we call this mutha revenge
Don't know if I'll blast, maybe, I'll just throw
 Maybe I'll kick down something special
 But believe me, you're gonna know
You should have thought before you got it started
 'Cause everything has got an end
 Ain't no sloppy fool that's innocent
 We call this mutha revenge
 Revenge, revenge
This is the beginning of the end
This is revenge, we call this mutha revenge
This is revenge, we call this mutha revenge
 I've seen loc'sters come
 I've seen loc'sters go
 But the only real loc'sters
 Are holding down six feet below
 Everything has got a start
 And everything has got an end
 Every action has a side effect
 We call this mutha revenge
This is revenge, we call this mutha revenge
This is revenge, we call this mutha revenge
 You're putting up a front
 We're gonna tear it down
 Had enough of your sorry ass 'tude
 I don't trip, no, don't stare me down
You should of thought before you got it started

'Cause we're the ones that make it end
Ain't no sloppy fool that's innocent
We call this mutha revenge
Revenge, revenge
Revenge, revenge
