Itâ€™s Love

Circulatory System

It's love
Takes you everywhere
It's love
Reason to be poor
It's love
The reason we continue to destroy
You've seen it
You've seen it
I should have told you long ago
Everything deep inside
No, it's not too late
And I should have mentioned long ago
Everything
I know it's not too late
It's falling down like water from the sky
