So Cold

Leela James

So cold, so cold, so cold
So cold
So cold, so cold, so cold
So coldI'm in love and I want you
In the worst way, yeah
There's nothing that I won't do
To keep you happyI've never met someone like you
You're just so different
And it's so good, no, it's too good
I'm hoping on youSo cold, so cold, so cold
So cold
So cold, so cold, so cold
So coldOoh, you're so fine
You're just my type
I will make you mine
Just a breath of fresh air
Those others don't compare, noYou, you had your pride
You give your time
You simply treat me right
Ooh, and it's so good, it's too good
I'm hoping on youSo cold, so cold, so cold
So cold
So cold, so cold, so cold
So coldI like the way
You take good care of me
I'm feeling your style
Oh, you get down, it's crazy, yeahSo cold, so cold, so cold
So cold
So cold, so cold, so cold
So coldI'm feeling your style
Oh, you get down, it's crazy
I'm feeling your style
Oh, you get down, it's crazy
