That's Why We Say

By the Tree

Glorious savior
Miracle maker
Perfect and true
There's no one like you

Torn down and made low
You paid the price we couldn't, so
We bow before you now

And that's why we say worthy
Worthy are you Lord
And that's why we say holy
Holy is the Lord
Holy is the Lord

Faithful creator
All knowing teacher
So perfect so true
There's no one like you

Beautifully risen
Sins are forgiven
So we bow before you now

And that's why we say worthy
Worthy are you Lord
And that's why we say holy
Holy is the Lord

And that's why we say worthy
Worthy are you Lord
And that's why we say holy
Holy is the Lord
Holy is the Lord
Holy is the Lord
