

Its Been Done

[Angela McCluskey](#)

Here I am on trains of solace
The moment I could not win
Oh it's so dumb that I'm intrigued by the thunder
And the lightning comes streaming in our home
But oh a summer of our own
It's been done
It's been done
And I'm so proud of loving, againIt's been doneWishing I was yours forever
Can we rely on love?
I was lost, cut underneath by another
And the feeling that crept into our home
But oh a winter of our own
It's been done
It's been done
And oh I'm so proud of living, again[Chorus]
Crossing your heart and hope to die
The skin I'm touching will never lie
Crossing your heart and hope to die
The skin I'm touching will never lieAnd oh a winter of our own
It's been done
It's been done
And oh I'm so proud of loving again[Chorus]
