

They Cannot Let It Expand

Midlake

They cannot let it expand
They cannot let it expand
They cannot let it expand
 They cannot let it
They cannot let it expand
They cannot let it expand
They cannot let it expand
 They cannot let it
They cannot let it expand
They cannot let it expand

They cannot let it expand
 They cannot let it
They cannot let it expand
They cannot let it expand
They cannot let it expand
They cannot let it expand
 It's pretty in here
 It's pretty in here
 It's pretty in here
