Sailor

Hem

I'm not a sailor
I'm not so strong out of my shoes
Dragging like anchorsOver the ocean
Pearls in the sky strung 'round the moon
Pointing to youSo I'll sail till morning
Or I'll sail till I
Carried to you tonightI'm not a sailor
But I'll spend the night out on the sea
Out on the seaAnd I'll sail till morning
Or I'll sail till I
Carried to you tonight
Tonight, tonight
