

Listen To the Music

The Doobie Brothers

Oh, listen to the music

Oh, listen to the music

Oh, listen to the music

All the time Don't you feel it growin, day by day

People gettin' ready for the news

Some are happy, some are sad

gonna let the music play What the people need is a way to make them smile

Ain't so hard to do if you know how

Gotta get a message, get it on through

Oh now Mama gonna get that after a while Oh, listen to the music

Oh, listen to the music

Oh, listen to the music

All the time

Yeah, ooh Well I know you know better, everything I say

Meet me in the country for a day

We'll be happy and Mama will dance

Well my Mama gonna dance our blues away And if I'm feelin' good to you baby and you're feelin' good to me

There ain't nothin' we can't do or say

Feelin' good, feeling fine

Well now Mama gonna let myself unwind Oh, listen to the music

Oh, listen to the music

Oh, listen to the music

All the time Like a lazy flowing river surrounding castles in the sky

And the crowd is growing bigger

And they're listenin' for the happy sounds

And I got to let them fly Oh, listen to the music

Oh, listen to the music

Oh, listen to the music

All the time Oh, listen to the music

Oh, listen to the music

Oh, listen to the music

All the time Oh, listen to the music

Oh, listen to the music

Oh, listen to the music

All the time Oh, listen to the music

Oh, listen to the music

Oh, listen to the music

All the time Oh, listen to the music

Oh, listen to the music

Oh, listen to the music
All the timeOh, listen to the music
Listen to the music, once just listen to the music
Oh, listen to the music
Once just listen to the music, once just listen to the music
Oh, listen to the music
Once just listen to the music, once just listen to the music
All the time
