

# One Drop

Bob Marley

O-ooh, yea-ah, Wo-yoy! Wo-yoy! Wo-yoy! Wo-yoy-yoy-yoy!  
    Feel it in the one drop  
    And we'll still find time to rap  
    We're makin' the one stop,  
    The generation gap  
    Now feel this drumbeat  
    As it beats within,  
    Playin' a riddim,  
Resisting against the system, ooh-wee! I know Jah's never let us down  
    Pull your rights from wrong  
    (I know Jah would never let us down)  
    Oh, no! Oh, no! Oh, no!  
    They made their world so hard (so hard)  
    Every day we got to keep on fighting (fighting)  
    They made their world so hard (so hard)  
    Every day the people are dyin' (dying), yeah!  
(Dread, dread) For hunger (dread, dread) and starvation (dread, dread)  
    Lamentation (dread dread)  
    But read it in Revelation (dread, dread, dread, dread)  
    You'll find your redemption  
    And then you give us the teachings of his majesty  
    For we no want no devil philosophy  
    A you forgive us the teachings of his majesty  
A we no want no devil philosophy Feel it in the one drop  
    And we still find time to rap  
    We're making the one stop  
    And we filling the gap  
    So feel this drumbeat  
    As it beats within  
    Playing a riddim, uh!  
Fighting against ism and skism Singing! I know Jah's never let us down  
    Pull your rights from wrong  
    I know Jah's never let us down  
    Oh, no! Oh, no! Oh, no!  
    They made their world so hard  
    Every day (we got to keep on fighting), every day  
    They made their world so hard  
    Every day (the people are dying), eh!  
(Dread, dread, it dread, dread) Oh, whoa! Make dem a-go on so

(It dread on dread) Ah, whoa!  
(Dread, dread) I'll walk (it dread, dread)  
Ah, whoa! Frighten dem! Ah, whoa! Frighten dem, eh!  
Give us the teachings of his majesty with a stick-up!  
We no want no devil philosophy, can you hear?  
Give us the teachings of his majesty  
For we no want no devil philosophy
