But when you don't need them
 You send them off
Yeah, you send them offDo what you think you should do
 Leave them like you said you would do
 But you never stop

 You better fight, yeah
 You better fight
If you, if you stand upLook me in the eye, sister

 Don't cut off your armBefore it comes now
 Before it comes down
 Before it comes down
Are you ready forLook me in the eye, sister
 We're just mocked by doofus
 I am a stranger
 Giving it up against the wall
 Up against the wall
 Up against the wall
 Up against the wall
Up against the wallBefore it comes now
 Before it comes down
 Before it comes down
 Are you ready for
 Ready forDon't you blame it on me
 Don't you blame it on meLook me in the eye, sister
 We're just mocked by doofus
 I am a stranger
 Giving it up against the wall
 Up against the wall
 Up against the wall

Up against the I think you know about it
 Think you know
 Think you know
 Look me in the eye, sister
