## **Afraid**

## **Vanessa Hudgens**

Just when it's getting good

I slowly start to freeze

Just when it's feeling real

I put my heart to sleepIt's the memory, I can see

Then this fear comes over me

Understand that I don't mean

To push you away from meWhy am I so afraid to crash down

And lose my heart again?

I don't know, I can't see

What's come over meWhy am I so afraid to break down

And lose my mind again?

I don't know, I can't see

What's come over meYou got a way

Of easing me out of myself

I can't stay but I can't leave

I am my worst enemyPlease understand that it's not you

It's what I do

Just when I'm about to run

I realize what I've becomeWhy am I so afraid to crash down

And lose my heart again?

I don't know, I can't see

What's come over meWhy am I so afraid to break down

And lose my mind again?

I don't know, I can't see

What's come over meWhat's come over me?

Come over me

What's come over me?

Over meNow I wonder what you think of me

Don't know why I break so easily

All my fears are armed surrounding me

I can't get no sleep

I keep running in circles around you

Are you the trap I wanna fall into? Why am I so afraid to crash down

And lose my heart again?

I don't know, I can't see

What's come over meWhy am I so afraid to break down

And lose my mind again?

I don't know, I can't see

What's come over meWhy am I so afraid to crash down

And lose my heart again?
I don't know, I can't see
What's come over meWhy am I so afraid to break down
And lose my mind again?
I don't know, I can't see
What's come over me
