

# Don't Leave Me Alone With Her

## Sparks

The Exodus is on  
The impetus is gone  
Nobody's having fun  
How about another drink  
Or maybe just a snack The rest will be here soon  
Here, let me take you mac  
I know its started slow  
There's still no need to go Don't leave me alone with her  
Every home is Rome alone with her  
And if you all go, who'll say no to her  
Don't leave me alone with her  
Don't my sweat and shaking register  
Cause if you all go, who'll say no to her You look at her and say, "She looks ok to me"  
I look at her and say, "She looks ok to me"  
The reasons very clear  
You're watching her with me Don't leave me alone with her  
Every home is Rome alone with her  
And if you all go, who'll say no to her Unwitting chaperons, how come you cannot see  
Unwitting chaperons, how come you cannot see  
A Hitler wearing heels  
A soft Simon Legree  
A Hun with honey skin  
De Sade who makes good tea  
Don't leave me here to be  
Don't leave me here yo be Don't leave me alone with her  
Don't my sweat and shaking register  
'Cause if you all go, who'll say no to her  
Don't leave me alone with her  
Don't leave me alone with her  
Don't leave me alone with her Don't leave me alone with her  
Every home is Rome alone with her  
And if you all go, who'll say no to her ...
