

Soldier

Maino

Yea I am a soldier it's a war going on in the place we live hustle every day just to feed our kids prayin one day we gone make it big we gone make it big I am just a soldier it's a war goin on in the place we live hustle every day just to feed our kids prayin one day we gone make it big we gone make it big listen look you feel the pain I'm in you see the place I'm from the shit I said I did betta balieve I done look how a nigga live you know how real it is it's drug money forever baby let's feed our kids my middle fingers up until they go in cuffs now to benz's with stash boxes I doubled up you see the hell I been in look how these niggaz tellin all of my friends is under surveilence all of my homies ride cause for my hood I die I fuck wid albany minute I love my nigga wise until I'm dead and gone this type of shit I'm on shout out to fort green... Career criminal guns cracked I did it to casaki and el mira I did it thru don't confuse me with rap niggaz I'm different dude every nigga that hustle hard this for you yea I am a soldier it's a war going on in the place we live hustle every day just to feed our kids prayin one day we gone make it big we gone make it big I am just a soldier it's a war goin on in the place we live hustle every day just to feed our kids prayin one day we gone make it big we gone make it big niggaz know I'm a thug I get a lot of love I'm real potent like the dope in ma mama's blood I keep the... Tucked d's can't find the drugs and fuck the court room nigga I could find the judge I'm breaking bread with killas I'm running with the shooters I'm gang affiliated I think like larry hoover we still gettin cash wavin that black flag ya'll crack on nostrand now we don't... My homies in the... They fightin for they life my nigga mo dog he fightin for his life I know how hell feel so now I'm chasen millz dats why these niggaz love me they know I keep it real they know I'm just a soldier until my day is over behind them tinted windows they se me in the rover and ain't no turnin back... Let's get in an see shout out my nigga leon his whole family yea I am a soldier it's a war going on in the place we live hustle every day just to feed our kids prayin one day we gone make it big we gone make it big I am just a soldier it's a war goin on in the place we live hustle every day just to feed our kids prayin one day we gone make it big we gone make it big look now we gone make it big we goin do our thing this is what diker wanted we gone fulfill his dream heard hes a real dude dat... Will let it off a nigga poppin the feds look how hes standin tall ma niggaz certified part of a home we... You see the soul of a man when you see inside his eyez we ain't got shit to loose only the world... Finnally the gangsters win... Yea I am a soldier it's a war going on in the place we live hustle every day just to feed our kids prayin one day we gone make it big we gone make it big I am just a soldier it's a war goin on in the place we live hustle every day just to feed our kids prayin one day we gone make it big we gone make it big
