High on Life (feat. Bonn)

Martin Garrix

Killed the demons of my mind
Ever since you came around
We at river, running wildHow could I have been so blind?I just live a fast life
Forget about the past time
I'm up to escape my feels
The friendships only passed by
The show and calling strobe lights
With you I feel something real
And I'd walk a million miles just to see your smile
Till the day I die
Oh, I need you by my side, we'd get high on life
Till the day we die
High on life till the day we die
High on life till the day we die
High on life till the day we die
And I'd walk a million miles, just to see your smile
Till the day I dieHigh on life till the day we dieThrough my fingers, out of sight
How could I have let you go?
Cutting corners, turning stones
But I can only see your ghost
I just live a fast life
Forget about the past time
I'm up to escape my feels
And friendships only passed by
The show and calling strobe lights
With you I feel something realAnd I'd walk a million miles just to see your smile
Till the day I die
Oh, I need you by my side, we'd get high on life
Till the day we dieHigh on life till the day we die
Oh, I need you by my side, we'd get high on life
Till the day we die
High on life till the day we dieAnd I'd walk a million miles just to see your smile
Till the day I die
Oh, I need you by my side, we'd get high on life
Till the day we die
