

Condolences (Skit)

Tech N9ne

N9na, this Water. What's up, fam?
Damn, uh, sorry to hear about your moms, man

Techalicious, this is Wendy Dae
I just heard about your mom
I'm so, so, so, so, so sorry

Hey this your brother Chris, man
Sorry to hear about you moms, man

Hey this is Cook right here
I heard about what happened
Lemme know if you need me to do anything
And gimme a call, lemme know something, okay?
I'll be waiting to hear from you
