

# Spectrum (Live at USA Today)

## Matthew Koma

Breathing you in when I want you out  
Finding our truth in a hope of doubt  
Lying inside our quiet drama Wearing your heart like a stolen dream  
Opening skies with your broken keys  
No one can blind us any longer We'll run where lights won't chase us  
Hide where love can save us  
I will never let you go We'll run where lights won't chase us  
Hide where love can save us  
I will never let you go Breathing you in when I want you out  
Finding our truth in a hope of doubt  
Lying inside our quiet drama Breathing you in when I want you out  
Finding our truth in a hope of doubt  
Lying inside our quiet drama Wearing your heart like a stolen dream  
Opening skies with your broken keys  
No one can blind us any longer We'll run where lights won't chase us  
Hide where love can save us  
I will never let you go We'll run where lights won't chase us  
Hide where love can save us  
I will never let you go We'll run where lights won't chase us  
Hide where love can save us  
I will never let you go Breathing you in when I want you out  
Finding our truth in a hope of doubt  
Lying inside our quiet drama
