Only You

The Impressions

Only you babe (you babe)
Only you babe (you babe)
Only you babe,
Only you babe (you babe)
Only you babe (you babe)
Only you babeSometimes I get a little lonely (I'm lonely,I'm lonely)
I'm lonely for you girl
All my body pains, only need for the good things
All the making love and breaking bread
Face to face, get down with the love most inner place
With only you babe (you babe)
Oh, all this love can be replaced
I pick up love, upon your face
I kiss your lips, my body breaks
You lift me up, and turn me around
You can appreciate; this good love can't go downOnly you babe (you babe)
Only you baby (you babe)
Only you babe
Only you baby (you babe)
Only you babe
Only you baby (you babe)
Only you babyPeople don't understand
Misled with there intents
Think they can get along with anyone
Who gives sweet, sweet, sweet complement
