

# Nearness Of You

Chris Botti

Its not the pale moon that excites me  
That thrills and delights me, oh no  
Its just the nearness of youIt isn't your sweet conversation  
That brings this sensation, oh no  
Its just the nearness of youWhen you're in my arms and I feel you so close to me  
All my wildest dreams come trueI need no soft lights to enchant me  
If you'll only grant me the right  
To hold you ever so tight  
And to feel in the night the nearness of you
