Little Wonders (Radio Version)

Rob Thomas

Let it go
Let it roll right off your shoulder
Don't you know
The hardest part is over?
Let it in
Let your clarity define you
In the end
We will only just remember how it feelsOur lives are made
In these small hours
These little wonders
These twists and turns of fate
Time falls away
But these small hours
These small hours still remainLet it slide
Let your troubles fall behind you
Let it shine
Until you feel it all around you
And I don't mind
If it's me you need to turn to
We'll get by
It's the heart that really matters in the endOur lives are made
In these small hours
These little wonders
These twists and turns of fate
Time falls away
But these small hours
These small hours still remainAll of my regret
Will wash away some how
But I can not forget
The way I feel right nowIn these small hours
These little wonders
These twists and turns of fate
These twists and turns of fate
Time falls away, but these small hours
These small hours, still remain
They still remain
These little wonders
These twists and turns of fate
Time falls away

But these small hours
These little wonders still remain
