

Hook

Scott Allan Knost

I can hear your voice,
and I can taste your skin.
I have no other choice,
but to let you in. even though I know,
you won't take a second look.
I'm forever,
on your hook. I can see our lives,
bright as the sun.
the blue inside your eyes,
the words on my tongue. and even though you'll go,
like I knew you would.
I'll wait forever,
on your hook. once in a lifetime,
someone makes you feel the way I do.
and I really don't mind,
if I wait all mine, for you. and I can't look away,
when you're in the room.
I know just what to say,
if could only move. and even though I try,
I know that I should.
leave forever,
on your hook. Copyright 2013 ScottAllanKnost Music. bmi.
